enoround

The **enoround** series are designed as attractive 16 bottle models on a round "kiosk".

The models offer 1 volume pours and options include :

- chip card activation with 2 chip card readers to activate 8 bottles each. This allows 2 customers to be served at the same time.
- digital price display.

enoround specifications:

1200 mm diameter, 800 mm high (plus base), 70kg (without base), 24 Volts, 60 Watts.

enoround Models	Code	Bottle Positions	Chip Card Option	Digital Price Display
enoround 16/1Ch	216013	16	•	
enoround 16/1ChD	216023	16	•	•

enomove

The innovation of our **enomove** is designed to provide a completely mobile wine solution - whether to serve customers in a restaurant, at a function, corporate event or for mobile wine tastings. The opportunities are endless.

The 8 bottle models offer 3 pour volumes and or temperature controlled models.

The **enomove** incorporates rechargeable batteries and a built-in nitrogen regulator system.

enomove specifications:

1500 mm high, 600 mm long, 500 mm wide, 80 kg, 110/220 Volt, 150 Watt.

Our enomove models are available in a wide range of stainless steel, timber and coloured finishes to suit any decor or branding.

enomove Models	Code	Room Temperature	Refrigerated	Climate Controlled

enosystem

Our custom-made **enosystem** modules can be tailored to your specific requirements.

enosystem was conceived for use in large scale retail wine stores that offer tastings (and purchasing) of a wide range of wines. It can also be used in any restaurant, bar or hospitality environment where the wines are served at room temperature.

The system incorporates our chip card automation with digital price display. It is designed in 8 bottle modules that are assembled on site to create a continuous line of bottles.

enosystem specifications:

880 mm long, 720 mm high, 200 mm deep, 29 kg, 24 Volts, 30 Watts.

enosystem Modules	Code	Bottle Positions	Chip Card Option	Digital Price Display	Drip Channel	Stainless Steel Back
enosystem 120	3800120	8	•	•		
enosystem 121	3800121	8	•	•	•	
enosystem 122	3800122	8	•	•	•	•

*Our **enosystem** modules are supplied with all the essential parts except the top cover which can be designed to be integrated with your own decor.*
